

November 9, 2015 Update

### **US 85 Project Team and Corridor Stakeholder Group,**

This is the second in a series of brief emails to provide project updates at key milestones.

We held our first meeting with the Corridor Stakeholder Group (CSG) on October 29<sup>th</sup>. We had about 25 attendees who heard a project overview, and provided input on the Purpose and Need, initial range of alternatives and evaluation criteria.

We will be sharing similar information about the C-470 to Highlands Ranch Parkway project and the PEL Study at our first Public Open House next week (details below). All the meeting materials to be shared at the public meeting will also be available on the project website: [www.us85douglascounty.com](http://www.us85douglascounty.com) after the meeting.
